Healthcare Lookbook

krug HEALTHCARE

“We are committed to developing well built, thoughtfully designed furniture solutions that support safe, nurturing, restorative environments, focused on patient care, healing and well-being.”

Len Ruby, President

krug HEALTHCARE

Krug Healthcare

A Complete Solution

Krug, in consultation with senior healthcare designers and clinicians, has developed a series of highly functional, extremely durable, easily cleanable, attractive healthcare furniture solutions, containing numerous security features including; ligature and elopement resistant designs, soft edges, restricted access points, tamper resistant hardware and supplemental weight for enhanced patient and staff safety. The fulsome offering includes a broad range of options for dayroom, dining, and activity areas as well as intake, consult spaces and patient rooms. Almost all major components are field replaceable, ensuring minimal downtime for repairs and exceptional ROI.

Tate Behavioral Health

A great looking bench designed for use in demanding environments such as behavioral and mental health spaces. Standard safety features include a sleek sled base design, tamper-resistant hardware, staple covers and optional features include supplemental weight and anchor brackets. Tate is an outstanding option for patient corridors, activity areas and dayrooms.

Karma & Chit Chat Behavioral Health

Karma seating and Chit Chat tables are lightly scaled yet designed with abundant safety features making this pair an outstanding choice for high-traffic intense-use dining and activity spaces. Chit Chat tables are available with weighted stainless-steel bases with optional floor brackets. Karma is a lightly scaled multi-purpose chair loaded with safety features such as tamper-resistant hardware, staple covers, sled base design and is available with optional supplemental weight and anchor brackets.
