

ARTEMIS LAMINATE

krug

Laminate - Gunstock Walnut
Pedestal and Overhead Fronts - White Laminate

Artemis Laminate captures the design sophistication of Artemis wood casegoods, in an offering of laminate casegoods that is truly exceptional in its level of fit and finish. Each piece is made to order with a selection of elegant, attractive laminates and matching edges. For spaces where value and durability are key, but where design and long-lasting quality are still important, Artemis Laminate is an ideal solution.

Drawer pulls, drawer slides, filing systems, door hinges, glass door frames, height adjustment glides, lighting, tackboards, electrical components and cabling raceways - all this and more are of the highest quality, and of a standard more typically associated with executive wood furniture.
