Faeron Wood Guest

An award-winning collection of guest and patient seating and tables, Faeron Wood enhances beautiful spaces with its sophisticated presence. With an impressive range of models, configurations, sizes, finishes, materials and the ability to customize, Faeron Wood can be specified to perfectly suit a multitude of applications within the same facility - providing an attractive and functional cohesiveness to places where people gather.

Faeron Wood Patient

Above all else, the provision of exceptional comfort (including for periods of extended sitting) has been paramount in Faeron's lengthy development process. With detailed research and painstaking engineering, Faeron's seats and backs have been precision-contoured and shaped with multi-density foam to support the user - and markedly reduce fatigue. Our proprietary spring-seat construction greatly enhances comfort and reduces user fatigue - while also extending the life of the product - in comparison to conventional seating.

Faeron's lifetime warranty is made possible by the use of the most durable and proven materials and finishes. Our renowned system for replaceability of components and upholstery covers enables product life to be substantially extended, allowing furniture to continue looking as new even with years of use. If components become damaged or degraded, they can be replaced, and optional removable upholstery covers allow replacement of worn textiles. This system is also designed to facilitate infection control and cleaning, by providing the ability to dis-assemble the product or remove upholstery covers for cleaning.
