Faeron Metal Tables

An award-winning collection of guest and patient seating and tables, Faeron Metal brings a subtle yet sophisticated presence to any space. With an impressive range of models, configurations, sizes, materials and the ability to customize, Faeron Metal is suited to a variety of different spaces within the same facility - providing attractive, functional cohesiveness to places where people gather.

Faeron Metal's lifetime warranty is made possible by the use of the most durable and proven materials and finishes. Our renowned system for replaceability of components and upholstery covers enables product life to be substantially extended, allowing furniture to continue looking as new even with years of use. If components become damaged or degraded, they can be replaced. This system is also designed to facilitate infection control and cleaning, by providing the ability to dis-assemble the product for cleaning.

Faeron Metal Lifetime Warranty

METAL FRAME
Faeron Metal tables are available in Silver Metallic and Brushed Nickel, as well as 7 optional painted finishes.

WOOD OR LAMINATE TOP
Wood tops are available in Beech or Palette; in standard and custom finishes. Laminate tops are available in 17 standard selections.

SOLID SURFACE TOP
Optional Solid Surface tops provide a durable, easy to clean surface. Available in 8 standard Corian colors.

LINKING TABLES
Linking Tables feature a universal, non-handed design: They can be moved to reverse position in almost any configuration, providing a high level of flexibility for reconfiguring.

REPLACEABLE COMPONENTS
Faeron Metal tables are uniquely designed to allow virtually all major components to be field replaced, providing a very cost effective means to significantly extend the life of the product.

GANGING BRACKET
All Faeron Metal freestanding chairs and linking tables can be ganged using a ganging bracket. The powder coated metal bracket is fastened to the inside face of each side frame.
