Revo Training

Revo: mobile and modular tables with state-of-the-art technology interface, and materials of the finest quality and durability. For training rooms, class rooms or meeting rooms, Revo Tables are laden with features to make these spaces the high-performance, yet easy-to-use environments they need to be.

Tops are available in laminate, and wood veneer, in a wide range of standard and custom sizes and shapes. C- and T-legs, power options, flip tops, folding legs, and nesting capability are also included, making Revo one of the most complete solutions for meeting spaces.

VENEERS & LAMINATE

Veneers are rift cut Red Oak, and flat cut Cherry, Maple, and Walnut. Laminate worksurfaces are available with two options - Laminate Tops with Self-edge or Laminate Tops with Polymer Edge.

WORKSURFACES

Revo Training are available in 5 table top shapes. Wood and Laminate tops are 1 1/8" thick, with profile on all sides.

GANGING BRACKETS

Ganging Brackets are used to prevent separation of the tables when configured in a layout. All tables come pre-drilled for ganging capabilities.

MODESTY PANELS

Revo modesty panels are available in wood, laminate and aluminum in both fixed and flip versions.

POWERPORT

The Revo Training PowerPort made from aluminum and featuring a hinged lid, provides a functional and attractive solution for connectivity.

LEGS

Revo "T" and "C" style legs are available in fixed, folding and nesting versions, in Silver Metallic finish. All legs are available with casters or glides. They have the ability to lock with a foot release lever located at the base of the wheel.

CABLE MANAGER

Cables are channeled through the leg and concealed with a snap-on cover which allows cord access to the top and bottom when required.

STORAGE CART

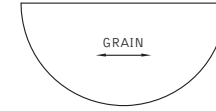

The optional storage cart, which holds up to 5 tables vertically, makes movement of the folded tables safe and easy.
