

Gira Training Tables

krug

Gira Classroom

Set up any room for success with Gira training tables. Available in a range of sizes to suit a variety of requirements, Gira tables are adept at meeting the needs of classroom, training or meeting spaces. Mobile bases with locking casters quickly enable reconfigurations and, when not in use, tables can be nested together for easy storage.

Training is effectively supported with Gira mobile tables in a variety of environments from educational to workspace settings. A broad range of options are available to integrate technology and bring groups together.

Gira Workspace

Gira Storage

To stow the tables, unlock the quick-release lever and flip down the tabletop and modesty for nesting and easy storage.

**WORKSURFACES**

Worksurface tops are available in Laminate and Wood. Wood veneers are flat-cut cherry, maple, and walnut.

**EDGE PROFILE**

Gira tops have profiles on all edges.

**MODESTY PANELS**

Modesty panels are available in wood and laminate.

**BASES**

Gira table bases are available in Grey or Black and feature locking casters

**GANGING BRACKETS**

Ganging brackets are recommended when 2 or more tables are being joined to one another. The brackets can be stowed underneath the table.

**FLIP AND NEST CAPABILITY**

An easy to operate one-handed release handle allows the table top to rotate upward 90 degrees for ease of storage or quick room configuration.

**WIRE MANAGEMENT**

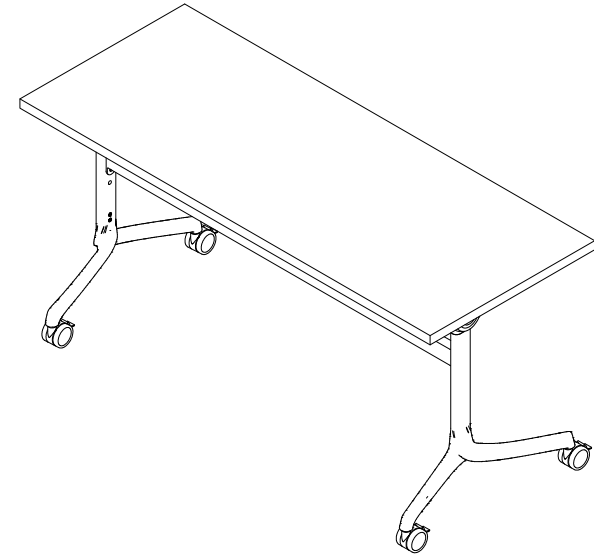

Optional cable manager clip is available in Black or Silver and attaches with strong adhesive tape.

**POWER OPTIONS**

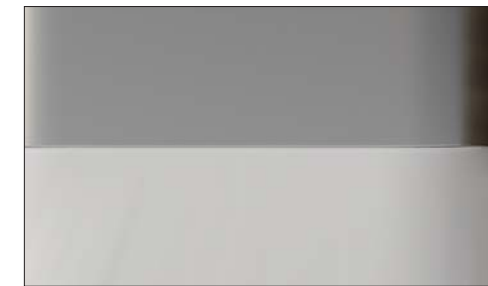

Gira features one round grommet in standard location, which can be upgraded to an optional PowerPort.
