**krug** HEALTHCARE 

## Juno Behavioral Health

Juno Behavioral Health casegoods are built to last. Designed for patient room environments, the broad offering includes ligature resistant platform beds, bedside tables, desks, and wardrobes. Standard safety features include restricted access points, tamper resistant hardware, rounded corners, sloped wardrobe tops and fixed inset shelves. For enhanced security, optional features include supplemental weight, restraints and floor anchor brackets.

## Juno Behavioral Health

Designed to perform in high risk patient room settings, our durable, safe and attractive Juno Behavioral Health collection of beds, bedside tables, desks and wardrobes are available in a variety of woodgrain and solid laminates or impact and scratch resistant HDPE, high density polyethylene, in four woodgrain finishes. Solid surface tops, attached with tamper resistant hardware, are available on bedside tables and desks in 8 finishes.

## FEATURES

## SEALED CORE

All exposed particle board has 3mm polymer edge-banding to help restrict moisture and bacteria from seeping into the core.

## INSET SHELVES

Shelves on bedside tables, dressers and desks are inset 2", fixed and non-removeable. Shelves on wardrobes are inset 7", fixed and non-removeable. Reverse stair step shelving is also available on wardrobes.

## INSET PULLS

Drawer pulls are inset to reduce ligature risk and are installed with tamper resistant hardware.

## TAMPER RESISTANT HARDWARE

Tamper-resistant hardware is utilized in the construction of all Juno Behavioral Health. The specific tools needed to remove components for maintenance or replacement are available for purchase from Krug.

## OPTIONS

## ANCHOR BRACKETS

Tamper resistant anchor brackets are available to attach casegoods and beds to the floor for additional safety and security.

## LOWER WARDROBE SHELF

Wardrobes with J-Bars are available with an optional lower shelf that is 12" above finished base panel.

## RESTRAINT BRACKETS

Four stainless steel restraint brackets are installed on both sides of the bed.

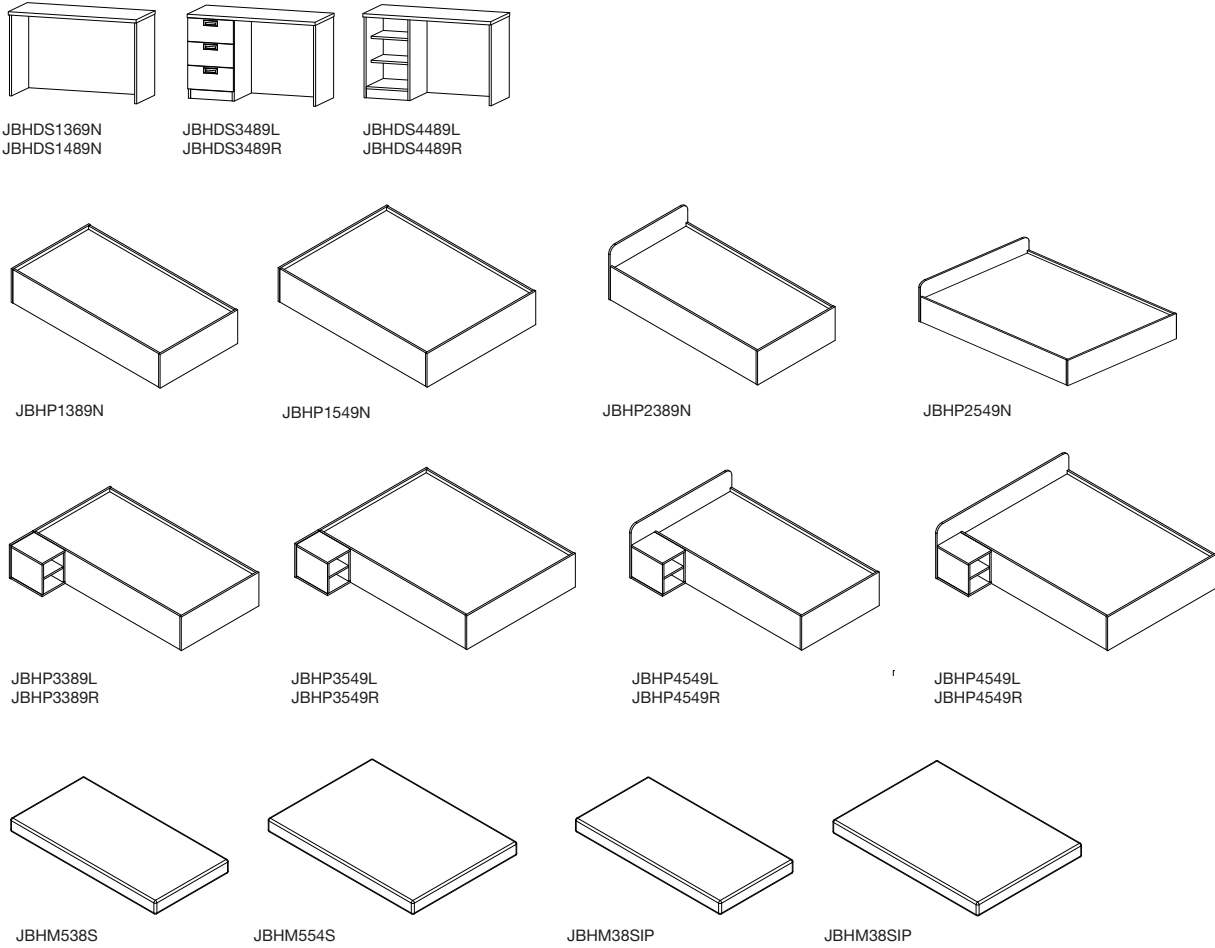

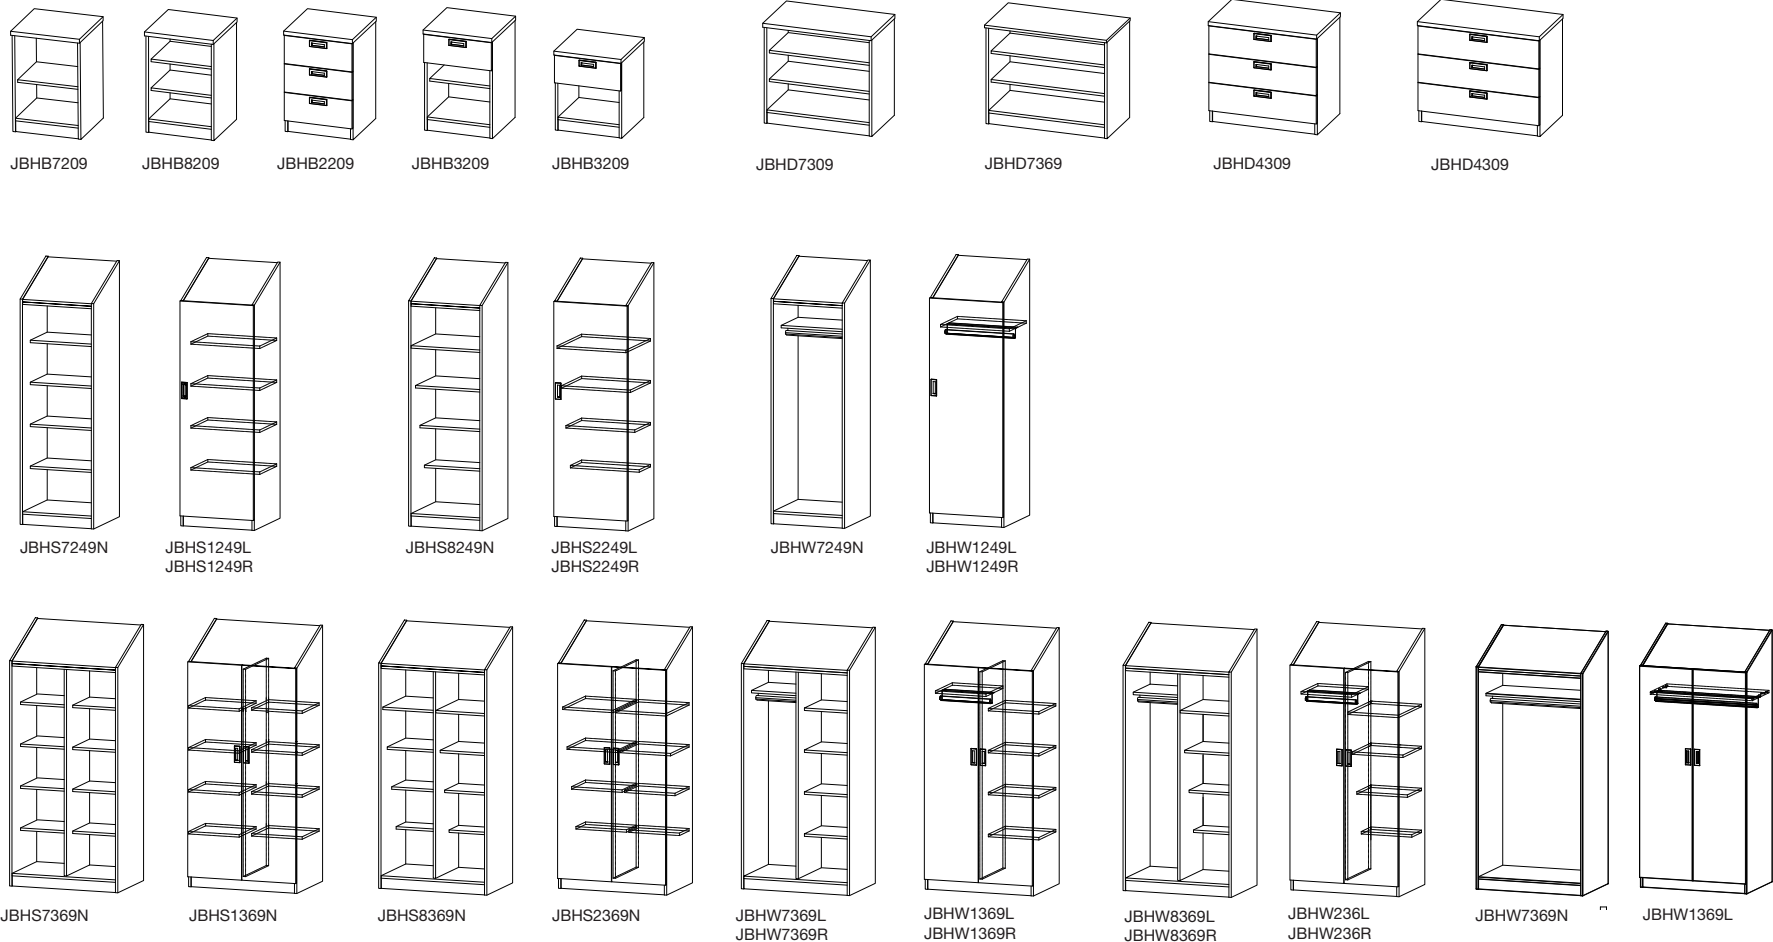

## HIGH PRESSURE LAMINATE

Juno Behavioral Health Casegoods can be specified in high pressure laminate.

Juno  
Environmental

The use of recycled and recyclable materials, combined with environmentally-friendly production processes and packaging, have made Juno a level™-certified product, and a contributor to LEED™-driven specifications. Juno is certified by the Greenguard™ standard for indoor air emissions, and it's unique capability for extending product life makes it a responsible environmental choice - and one that will provide exceptional return on investment over time.
