

Karma Behavioral Health

krug HEALTHCARE 

Karma

Behavioral Health

An exceptional choice for any area where a lighter weight chair is needed. Designed with a steel frame, sled base, tamper resistant hardware and staple covers for patient and staff safety. The integrated steel rail spans between the front and rear legs which are fitted with non-removable black nylon glides. Available with or without arms and with fully upholstered or wood backs. Supplemental weight is an additional option. Karma chairs are available in multiple sizes, 18.5", 22" and 26" and each is rated to 500 lbs.

TAMPER RESISTANT HARDWARE

All screws used on the Karma Behavioral Health units have been replaced with tamper resistant security screws.

TAMPER RESISTANT ARMS

Polymer arms are equipped with added hardware, internal to the tube frame making them tamper resistant to removal from the tube. Available in four colors; Black, Grey, Light Grey & Taupe.

SLED BASE

Sled base is an integrated rail spanning the front to back leg. Karma chairs with the Sled Base option do not stack.

TAMPER-RESISTANT GLIDES

Karma chairs have their glides secured in place to prevent their removal and damage.

INACCESSIBLE STAPLES

The Karma back upholstery has been altered to allow a nylon staple cover strip to be attached; this will prevent access to the upholstery staples. The back cover strip is fastened to the unit with tamper resistant security screws.

WEIGHT CAPACITIES

Karma has been laboratory tested to meet a weight capacity of 500 lbs.

FLOOR ANCHORING OPTION

Sled base can be supplied with optional additional holes and bushings to allow for fastening to the floor.

SUPPLEMENTAL WEIGHT OPTION

Karma can be supplied with supplemental weight on the bottom of the seat adding 23lbs to each chair. When chairs are weighted they cannot be ganged.

18.5" Sled Base

22" Sled Base

26" Sled Base

Karma Environmental

The use of recycled and recyclable materials, combined with environmentally-friendly production processes and packaging, have made Karma a level™-certified product, and a contributor to LEED™-driven specifications. Karma is certified by the Greenguard™ standard for indoor air emissions, and it's unique capability for extending product life makes it a responsible environmental choice - and one that will provide exceptional return on investment over time.

All products are air emissions certified and are available as FSC® certified
