## Libra Environmental

The use of recycled and recyclable materials, combined with environmentally-friendly production processes and packaging, have made Libra a level™-certified product, and a contributor to LEED™-driven specifications. Libra is certified by the Greenguard™ standard for indoor air emissions, and it's unique capability for extending product life makes it a responsible environmental choice - and one that will provide exceptional return on investment over time.

## POLYMER BACK & SEAT

Libra chairs feature Black polymer seat and back. The polymer back provides contoured lumbar support and flex for greater comfort. The seat tilts down for the sitting position and flips up when ready to nest the chairs.

## UPHOLSTERED SEAT & BACK

Libra chairs are available with upholstered seat and Black polymer back or upholstered seat and back.

## FRAME FINISH

Libra frames are available in Black or Silver Metallic finishes.

## NESTING

Libra chairs nest by raising the seat into its upright position, they can be nested with both the book rack and tablet in place.

## GLIDES

Libra Black floor-saver nylon glides are non-adjustable, and field-replaceable if damaged or degraded.

## CASTERS

The twin-wheel casters promote easy repositioning and storage and are also available with a locking option.

## TABLET

Libra swivel folding tablet is available in Black polymer. The tablet is fastened to the left side (facing), and has a turning radius of 360 degrees.

## BOOK RACK

The wire book rack is available in Black or Silver Metallic to coordinate with the frame selection. It can conveniently remain in place when the chairs are nested and is also removable without tools.
