AMELIO & AMELIO MODULAR | SLEEP SOFA FEATURES

Amelio Modular is an innovative, patent-pending sleep solution that has been designed to allow hospitals to more cost-effectively address a constant reality: the need for change. Patient rooms are not static spaces, and Amelio Modular enables you to adapt them to changing needs. Each component of Amelio is a module, designed to be added or removed as space needs change: seat, table, storage and footrest modules can be added and removed to reconfigure the sleep sofa - to change overall dimensions, or change the functionality of the sofa - or to replace damaged components. No other sleep solution provides this innovative capability, which can substantially extend the useful life of the product, and allow it to continually evolve as your space is adapted to improve patient care. Use the link [Animation Video](#) to see a video demonstrating Amelio Modular's unique ability to change and evolve with you.

RAISED OFF THE FLOOR

Ample space (5.5", plus up to .5" of glide adjustment) between the bottom of the unit and the floor is designed to enable easier cleaning of the floor underneath.

ROUND STEEL LEGS

The 2" diameter steel leg is available in Silver Metallic, Polished Chrome, Matte Black, and White and have an adjustable glide. Amelio units with legs feature 5 legs in total, with the 5th leg located in the rear middle of the unit, providing greater structural strength and durability. Amelio 5.5" high. Amelio Modular 3" high.

REMOVABLE BACK COVERS

Amelio backs are standard with a zipper allowing access to the sleep surface cushion straps. These straps are released by simply peeling back the velcro holding them in place.

CLEAN OUT

A 5/8" space between the top of the seat and bottom of the back provide a clean out, for dirt and debris to fall or be swept into, going directly to the floor. The storage compartment also features vented bottoms that perform the same function.

FOLD DOWN SLEEPING SURFACE

The back cushions fold down to instantly transform this sofa into a full-length sleeper - without encroaching on additional floor space. It features comfortable foam with a moisture barrier and an PVC-free surface at a convenient and safe 22" height. Cushions are fastened in place, but can be removed for cleaning or replacement. Minimal seams are designed to support infection control.

HEAVY DUTY HARDWARE & CONNECTIONS

High strength steel mechanisms are joined to other components in Amelio Sofa sleeper product with hardened steel bolts and metal inserts, ensuring exceptional durability, strength and on-site replacement of damaged or degraded components.

REPLACEABLE COMPONENTS

Healthcare furnishings are constantly subjected to intensive use, and even damage. Amelio Sofa sleepers are uniquely designed to allow virtually all major components to be field replaced, providing a very cost effective means to significantly extend the life of the product. Seats and Sleep surface cushions are removable (for repair and cleaning), and replaceable, as are legs, casters, arm panels, arm caps, front panels and storage mechanisms.

SLEEP SURFACE CLEANING

Amelio Sleep Sofas are standard with healthcare-rated PVC-free sleep surface. It is easily cleanable and acts as a moisture barrier on the top of the sleep surface. Sleep surfaces can be cleaned with warm water and mild soap. Water diluted to a maximum of 25% bleach and other intensive cleaning solutions (Virucide, accelerated peroxide) such as PerCept RTU, Zolvex, Clorox Wipes, Alpha HP and Virox can be used without affecting the color or integrity of the fabric. All cleaning products should be applied with a cloth, sponge or soft bristle brush.

CAL 133 & MOISTURE BARRIER

The sleep surface cushions are supplied with a standard moisture barrier applied to the top and sides of the foam cushions. CAL 133 and Moisture Barriers are available on the complete unit, please see upcharges in ordering notes.

California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.

The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of \$874 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

AMELIO & AMELIO MODULAR | SLEEP SOFA OPTIONS

WOOD LEGS

The Amelio Sleep Sofa has the option of 2" round wood legs. All sofa sizes features a center leg for additional support and strength. An adjustable glide is standard on all legs. This helps ensure the furniture is steady and level on uneven floors. Not available on Amelio Modular Sleep Sofa.

PLINTH

The base is clad in durable grey vinyl to resist damage and is designed to help prevent dirt debris and liquids from accumulating under the sofa sleeper. Plinth option is not available on Amelio Modular.

AMELIO CASTERS

4" Casters are available on the Amelio sleep sofa and feature five soft wheels, which lock and include an easy access foot activation and release lever. The casters can be locked both directionally and rotationally, keeping the sofa sleeper securely in place when locked.

AMELIO MODULAR CASTERS

3" dual wheel locking casters are available on Amelio Modular and feature 7 casters in total. The low profile soft wheels offer quiet and smooth performance.

STORAGE COMPARTMENT

An optional under-seat storage compartment features a cleanable interior surface with a vented plastic bottom, with a clean-out for debris and liquids. The venting provides air circulation that assists infection control. The spring-assisted, stainless steel mechanism holds the seat in the upright position to provide safe access.

COMBINATION UPHOLSTERY OPTIONS

When combination upholstery is specified with fabric of the same grade or COM, an upcharge for dual fabrics is **\$32 list** per unit and **\$61 list** per unit for three fabrics will be applied. When graded in combination upholstery is selected, use the highest grade upholstery selected or to obtain a quote for blended grading contact Customer Service (please provide the fabrics specified and location of where each fabric is to be applied on the product).

REMOVABLE SLEEP SURFACE & SEAT COVERS

Removable upholstery cover options on seats and sleep surface cushions, to allow cleaning, repair and replacement. When ordering removable seat covers at time of order, the upcharge is **\$220 list** per seat. Removable Sleep Surface covers are a standard product feature.

POWERDOC

The flush-mounted PowerDoc provides dual power/USB outlets for multiple devices. It can be specified on the front of the Wide Arm, under the Adjustable Table, as well under the Fixed Table (in the valance, Not available with storage).

ARM STYLES

The Amelio Sleep Sofa comes available in either an arm, armless or wide arm version. Arms can be added to armless units in the field. Armed and Wide Armed versions are available as a fully upholstered arm or trimmed with optional arm caps. Footrest option not available with Wide Arms.

URETHANE ARM CAP

The optional Black urethane arm cap provides enhanced durability and protection for the arms. This component is field replaceable if it becomes damaged or degraded. Not available on wide arms.

WOOD ARM CAP

The optional Wood arm cap helps to create a warm and inviting environment. Wood arm caps are field replaceable if they becomes damaged or degraded.

SOLID SURFACE ARM CAP

The optional solid surface arm cap provides enhanced durability and protection for the arms. This component is field replaceable if it becomes damaged or degraded.

THERMOFORMED ARM CAP

The optional thermoformed arm cap features a seamless surface and provides enhanced durability for the arms. The component is field replaceable if it becomes damaged or degraded.

SWING AWAY TABLET

The Swing Away Tablet (24" x 14 3/4" x 3/4") rotates 180 degrees and can fold to the side when not in use. The kidney shaped design is ideal for use as an eating, writing or work-surface. It can be specified left or right as seated on the standard width arm only. Available in Wood, Thermoformed or in 1/2" thick Solid Surface. Meets ANSI/ BIFMA x5.1 2011 (Static Load 150lb). Not available if foot rest option selected for Left / Right module on Amelio Modular.

CUP HOLDER

Wide arms can be optioned with a 3.5" stainless steel cup holder and can be specified on either the left or right arm.

level® CERTIFICATION, AIR EMISSIONS AND FSC® CERTIFICATION

level® CERTIFICATION

BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Amelio products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR-EMISSIONS

All Amelio products are supplied with air-emissions certified. Contact customer service for information.

FSC®

In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Amelio and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

Architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

AMELIO | SLEEP SOFA

CUSTOM SIZING

Amelio Sleep Sofa was designed for use with all floorplans, even the most challenging spaces. The Amelio Sleep Sofa is available in custom sizes in 1" increments between the size range of 68" - 84", please use next size up for pricing when ordering 10 or more units. For non-standard sizes in quantities less than 10 units or for other customization of Amelio, please contact Customer Service to obtain a special quote.

The flip-down sleep surface instantly transforms this sofa into a full-length sleeper, without encroaching at all on the footprint of the room, and without any mechanical operation. Sleep surface cushions are held in place with accessible straps - so that they are removable for cleaning and repair, but the cushions will stay in place when the unit is in use.

The Amelio Sleep Sofa unique construction and design provides comfortable daytime seating elements for guests. The split back design provides versatile sleeping options, one back section can be folded to create a parent supervised sleeping surface for a child or the complete back can be folded to accommodate overnight visitors.

CONVERSION FROM SOFA TO SLEEPER

The Amelio Sleep Sofa creates a sleep surface that does not impede the footprint of the patient room. The sleep surface cushions simply fold down to create a comfortable sleep surface.

COMBINATION UPHOLSTERY OPTIONS

When ordering combination upholstery or using COM fabric, please use the following fabric placement reference guide. Simply make a copy, note the fabrics and send in with the order

Outer Back Upholstery

Amelio outer back is standard with latex-free grey colored vinyl

Inner Back Upholstery

Back Cushions Upholstery

Arm Upholstery

Seat Upholstery

Front Panel Upholstery

The standard Outer Back upholstery supplied is a latex-free grey colored vinyl , a high-durability polyester fabric with a vinyl backer, designed to withstand impact and helps prevent the passage of moisture. The Sleep Surface is a hospital grade pvc free fabric.

NOTE: Some vinyls, leathers and upholsteries are not suitable for application on Amelio seating.

The COM approval process is as follows:

1. A sample of the COM must be provided to Krug Customer Service prior to or at the time of order.
2. The sample will be reviewed and the customer advised if the upholstery cover is unsuitable.
3. The COM upholstery cover or leather will be inspected when received at the factory, to identify any further concerns with its suitability.

NOTE: Some vinyls, leathers and upholsteries are not suitable for application on Amelio seating. The COM approval process is as follows:

1. A sample of the COM must be provided to Krug Customer Service prior to or at the time of order.
2. The sample will be reviewed and the customer advised if the upholstery cover is unsuitable.
3. The COM upholstery cover or leather will be inspected when received at the factory, to identify any further concerns with its suitability.

WEIGHT CAPACITY Amelio Sleep Sofa has been load tested to 750 lbs.

AMELIO MODULAR | MODULE FEATURES

FOOTREST

The Footrest is available on left, right or both seats. The Footrest handle adds 3" per side to the overall width. The Footrest has a weight capacity of 75 lbs, and has a breakaway feature to avoid damage to the mechanism under excessive loading. Footrest option not available with Wide Arms.

POWERDOC

A PowerDoc can be added below Adjustable Height Tables, below Fixed Tables (Not available with storage) and in the front of Wide Arms.

ADJUSTABLE CENTER TABLE

Tables are available in either Thermoformed Laminate or in Solid Surface. Table has gas-assisted mechanism and has a range of 10.5". Table capacity is 300lbs in the Sit/Sleep position and 150lbs in the raised positions.

FIXED CENTER TABLE

Tables are available in either Thermoformed Laminate or in Solid Surface.

FIXED CENTER TABLE WITH STORAGE

Tables are available in either Thermoformed Laminate or in Solid Surface.

SEAT MODULE WITH STORAGE

Available in left, center and right seat positions. Storage features a cleanable interior surface with a vented plastic bottom with a clean-out for debris and liquids. The spring-assisted, stainless steel mechanism holds the seat in the upright position to provide safe access.

*This credit is only applicable if in total 20% of the combined value of the procurement of construction materials and in the furniture are manufactured within a radius of 500 miles. This credit will apply if the installation of the finished product occurs within 500 miles of Kitchener, Ontario.

level® CERTIFICATION, AIR EMISSIONS AND FSC® CERTIFICATION

level® CERTIFICATION

BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Amelio products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR-EMISSIONS

All Amelio products are supplied with air-emissions certified. Contact customer service for information.

FSC®

In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Amelio and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

Architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

AMELIO BENCH SLEEPER | FEATURES & OPTIONS

FOLD DOWN SLEEP SURFACE

The seat cushion folds out onto a forward extending platform to transform the bench into a full-length sleeper. It features comfortable foam with a vinyl surface. Cushions can be removed for cleaning or replacement.

STEEL CONSTRUCTION

A welded steel interior framework provides exceptional strength and durability for extended product life and problem-free usage. The platform over the framework is covered in an attractive, durable upholstered cover to support infection control and ease of cleaning.

STEEL LEGS

The standard base is a 3" tall round steel leg in Silver Metallic with polymer glides. Rear glides are adjustable.

LATEX FREE

Krug products are made with latex-free materials to prevent the allergic reaction that latex causes in some people

REPLACEABLE COMPONENTS

Amelio Bench Sleepers is uniquely designed to allow major components to be field replaced, providing a very cost effective means to significantly extend the life of the product.

REMOVABLE COVERS

Removable seat and mattress covers are standard for easy cleaning or replacement.

LOCKING CASTERS

3" dual-wheel locking caster models are available.

STORAGE COMPARTMENT

Optional under-seat storage compartment features a cleanable interior surface with a vented bottom, and a clean-out for debris and liquids. The spring-assisted hinges hold the storage lid in the upright position to provide safe access.

ARM

Upholstered side arms can be trimmed with optional Grey & Black Urethane or Solid Surface Arm Caps to enhance the durability of the arms and provide a cleanable surface.

LAMINATE FRONT PANEL

Laminate can be specified for the front panel in Krug's in-stock laminates with matching 3mm edging. See [page 26](#) for laminate selection.

WEIGHT CAPACITIES

Amelio Bench Sleepers has been tested and complies with ANSI/BIFMA x5.4-2012 standards. Amelio Bench Sleepers has a load weight rating of 525lbs

CUSTOM SIZING

Custom sizes are available and can be quoted, with a minimum order quantity of 10 units per size. Custom depth dimensions may require a higher minimum order quantity. Please contact Customer Service for a special quote.

COMBINATION UPHOLSTERY OPTIONS

When combination upholstery is specified with fabric of the same grade or COM, an upcharge for dual fabrics is **\$32 list** per unit and **\$61 list** per unit for three fabrics will be applied. When graded in combination upholstery is selected, use the highest grade upholstery selected or to obtain a quote for blended grading contact Customer Service (please provide the fabrics specified and location of where each fabric is to be applied on the product).

CAL 133 & MOISTURE BARRIER

California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.

The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of \$874 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

NOTE: Some vinyls, leathers and upholsteries are not suitable for application on Amelio seating.

The approval process is as follows:

1. A sample of the COM must be provided to Krug Customer Service prior to or at the time of order.
2. The sample will be reviewed and the customer advised if the upholstery cover is unsuitable.
3. The COM upholstery cover or leather will be inspected when received at the factory, to identify any further concerns with its suitability.

GENERAL INFORMATION

Terms and Conditions

Net 30 days on approved credit. A late payment charge of 1% per month will be applied on overdue invoices. This charge will be pro-rated to the number of days past 30 days that the invoice is overdue. All applicable sales taxes are extra. Distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Krug dealers. Acceptance of any order and terms of sale may be established at the discretion of Krug. Deposits are required on orders received from new accounts as well as on large or special orders. Krug reserves the right to discontinue designs, or to change designs, construction, prices, or materials without notice.

Customer Service Hours

Please note customer service hours are:

8:30 am to 5:00 pm est

Customer Satisfaction

It is the primary goal of Krug and our staff to ensure the complete satisfaction of our customers with our products and performance. If a problem arises with a Krug product after the expiration of the limited warranty period, Krug will exercise its best efforts to achieve the satisfaction of the customer in a manner that is fair to all concerned.

Order Acknowledgments

Each order will be acknowledged via e-mail or fax. This acknowledgment is the final agreement between Krug and the customer, superseding all previous communications regarding the purchase order. Where there is a discrepancy on a purchase order between a product code and a description, Krug will make every effort to resolve the discrepancy, but will be ruled by the product code ordered. Please check all acknowledgments for accuracy, and advise Krug of any discrepancies with a purchase order.

Order Cancellation

Krug reserves the right to not accept or allow cancellation of orders. All products are manufactured on a custom-made, make-to-order basis, and the purchasing, engineering and production of orders begins shortly after order placement - and the customer purchase order is a contract that authorizes Krug to manufacture the products. Acceptance of order cancellation (or partial cancellation) is solely at the discretion of Krug, and is dependent on the extent to which engineering, purchasing and manufacturing has been initiated by the time cancellation is requested. No order cancellations (partial or otherwise) are allowable more than 4 weeks from date of order placement (as order production is unable to be terminated by that point), and full payment of the acknowledged order value is required for any orders cancelled after 4 weeks. Cancellations may be allowable in less than 4 weeks after order placement, depending on the extent to which manufacturing has been initiated. An acceptance of order cancellation requires that the purchaser agrees to make payment for all costs incurred to the point of acceptance of cancellation. Cancellation charges include all costs for purchase of dedicated material and components, engineering costs for non-standard products, and all costs for manufacturing completed to that point, as well as a \$367 net charge for processing of the original order and for processing of cancellation invoicing.

Pricing

Krug endeavors to ensure that all prices in this price list reflect accurately our current prices. However, errors do occur and will be rectified through notices to the field. Krug reserves the right to acknowledge pricing that may be different from the price list.

Storage Charges

Krug reserves the right to assess a nominal storage charge if a customer does not accept shipment of an order within a week of the ship date.

Warranty

Krug warrants the construction and the finish of all our products to be free from defects in materials and workmanship for the lifetime of their use. This warranty is applicable to products in use by their original purchaser. This warranty does not apply to components not manufactured by Krug including textiles, which are subject to the specific warranties of those manufacturers, if any. Textiles (fabric, leather, vinyl, or any other covering material) suppliers do not guarantee their products for durability and color fastness, and nor does Krug. Casters, mechanical and electrical components have a warranty of five years from the date of purchase. The Krug warranty does not apply to COM-specified materials, damage caused by a carrier other than Krug, or variation in wood finishes due to natural wood color variation. Krug cannot be held responsible for variations in fabric dye lots from order to order. All fabric is carefully inspected when it is received, but a degree of variation in color should be expected. Repairs or replacement of any defect covered under this warranty by Krug will be made, at our option and method, at no charge to the original purchaser during the warranty period. Krug's judgement is final and binding with respect to the nature or cause of defects or damage, and the necessity or manner of repair or replacement.

This warranty does not apply to defects or damage resulting from:

- normal wear and tear occurring with the use of the product
- negligence, misuse, excessive use, alteration, improper cleaning or repair
- substitution or use of incorrect or unauthorized components or material
- handling or installation that is incorrect, or that causes damage or defect
- damage incurred by a freight carrier other than Krug
- wearing of finishes and fabrics, and normal variations in materials (including dye lot variations)
- properties of natural materials, including wood and leather
- exposure to environments with uncontrolled temperature and humidity (products must be transported, stored and used in climate-controlled conditions)

Note, specific warranties for components and materials not manufactured by Krug:

Jordan Sleepers Heavy-Duty Mechanism, made with heavy gauge steel and minimal moving parts - is backed by a 5-year warranty on the mechanism itself, in addition to the lifetime warranty on the rest of the product. If it does become damaged or degraded, the mechanism can be field-replaced.

Juno and Trevisa Overbed Tables have a 2-year warranty.

Blanket Wrapping

Krug will blanket wrap larger seating orders at customer's request. Please indicate on your purchase order and contact Customer Service.

Export Packaging

Krug is pleased to provide the option for export packaging on all our products, to provide additional protection from damage. For shipments overseas, a quote for export packaging can be provided, based on the products to be ordered and the delivery destination - please contact Customer Service or Bids & Specification Support for more information and a quotation. KRUG is not responsible for shipment damage occurring on overseas shipments

Export Packaging is STRONGLY RECOMMENDED for:

- (A) all shipments outside of the lower 48 states and Canada.
- (B) all shipments that will be held in storage for an extended period prior to installation.

Important: Please note that Krug will not be responsible for damage claims on product shipped or stored in the above conditions but where export packaging has not been utilized.

Dimensions

Dimensions are in inches and approximate, and subject to change without notice. Contact Customer Service if dimensions are critical.

GENERAL INFORMATION

Freight Terms and Conditions

1. All product is shipped FOB the Krug factory. Freight is either pre-paid to the destination or not pre-paid, depending on established customer specific freight terms.

2. Docks at the selected delivery location must be equipped to handle a 53' trailer. If a dock is inadequate for delivery by Krug, Krug will re-deliver to another local location and any additional costs will be charged to the customer.

3. For all deliveries, it is understood that Krug or its agent is making a dock delivery only (equipped to handle a 53' trailer), and any further work of truck unloading, delivery beyond the dock, installation, and removal of packaging is not authorized or paid for by Krug.

4. Drop shipments to the installation site, and timed deliveries, are available on larger shipments (full truckloads or slightly less) at no additional charge. Drop shipments or timed deliveries for smaller shipments may not be available, or if available will require a surcharge. Deliveries on an after hours basis, or on weekends, or any other special requirements, may be subject to a surcharge. Location and contact information, and the requested time of delivery, is required at least one week prior to the acknowledged shipment date. If this information is not provided one week in advance, or if the location or time of the drop shipment is changed less than one week in advance, a surcharge may be applied, and/or the drop shipment may not be scheduled. For deliveries requested Monday to Thursday after 5:00 pm, please apply a surcharge of \$262/shipment. For deliveries requested Monday to Friday before 7:00 am, please apply a surcharge of \$262/shipment. For deliveries requested Friday (after 3:00 pm) or weekends, please apply a surcharge of \$525/shipment. (local times).

5. For all deliveries - whether to the Customer location or drop shipment - any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), service charges will be applied at the rate of \$78/hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged. If Less Than Truck Load is delivering, one hour is allocated to unload. Any additional time required to unload after the first hour is \$78/hour. If a Truck Load is delivering the order, three hours is allocated to unload. Any additional time required to unload is \$78/hour. Direct deliveries to site for large orders are possible, (must exceed \$60,000 net), and accommodate 48 - 53' trailers. Krug is responsible for delivery to the approved delivery address. If an address change is required, this must be authorized by Krug 5 business days prior to ship date. Any additional delivery costs incurred after this time will be charged to the customer.

Product Strength and Durability Testing

All Krug products have been thoroughly tested, and exceed the testing requirements of ANSI/BIFMA seating standard. Specific test results and documentation are available on request.

Installation Support

For assistance please contact Technical Support at 1-888-578-5784 x216 or e-mail installationhelp@krug.ca and you will be directed to the appropriate installation support person.

Damaged Shipments

All Krug product is well engineered, carefully inspected, and expertly loaded onto our trucks at our Distribution Center. If you receive any damaged freight, we ask that you do not refuse the shipment. Krug is not responsible for damage to goods that occurs in transit or

storage. It is the purchaser and/or receiver's responsibility to examine the goods upon receipt and to notify Krug of any damages, overages or shortages. Any discrepancies should be noted on the Bill of Lading. The delivering carrier will not accept responsibility for shortages or damages if signed "clear". Notification of concealed damage claims must be made to Krug Distribution within 5 days of delivery, along with digital pictures if available. All product and packaging must be available for inspection. Krug liability ceases after 5 business days and Krug will not be responsible for concealed damages if shipments are left unopened. Krug is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

Field Product Report Authorization

Krug's written authorization, in the form of an FPR number, must be obtained prior to incurring charges of any kind if Krug is expected to pay these charges. This includes authorization for returns, field repairs and replacements, post field repairs, installation and delivery charges. Krug reserves the right to have its representative inspect product related to any request for such authorizations, prior to that authorization being provided. Deductions from invoices paid for any charges to Krug, without prior written authorization in the form of an FPR, will not be accepted. Digital photographs may be required to complete the FPR process.

Returns

No merchandise may be returned without Krug's prior written consent. In the event of an authorized return, a Field Product Report (FPR) number will be issued, and a restocking charge will apply. Return transportation charges must be prepaid. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packaged in its original or comparable replacement packaging to ensure protection of the product during handling and transportation. Returns on orders duplicated by the customer must be received in their original packaging to be accepted. Product being returned where Krug has authorized its liability for replacement or repair will be thoroughly inspected on its return, and the results compared to the reason for the return stated on the FPR. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

Custom Capabilities

Over 15% of our orders involve some type of custom work, and we invite our customers to make use of our extensive capabilities.

These include:

- 1) Dimensional customization of standard size products
- 2) Custom finishes
- 3) For larger orders, completely custom-designed products, as well as non-standard wood species can be specified.

Custom orders may require additional production lead times. Contact Engineering at the e-mail address engquotes@krug.ca.

Care and Maintenance Leather

Leather is a natural product and requires very little care during use. Most stains can be removed with a clean dry cloth. For stubborn spots and stains, use a mild non-detergent cleaner, rinse well and let air dry naturally. Do not use saddle soap, cleaning solvents, furniture polish, oils, varnish, abrasive cleaners, soaps or ammonia waters.

Fabric Upholstery

Professional upholstery cleaning is recommended.

Grade 2	\$33
Grade 3	\$44

LATEX FREE

Krug products are made with latex-free materials to prevent the allergic reaction that latex causes in some people.

CUSTOMER'S OWN MATERIAL - C.O.M.

Customer's Own Material (COM/COL)

COM/COL must be received three weeks prior to the acknowledged ship date. Orders with COM/COL not received by the required deadline will be delayed. A description of the upholstery cover, including supplier name, pattern name, upholstery cover name and color number must be included with the purchase order.

COM/COL testing requires 3 business days and samples are to be directed to Customer Service. The customer has the option of providing the sample COM/COL before, at time of order, or once the sample COM/COL is received. If the customer does not send a sample for approval in advance of sending actual material, Krug will not be responsible for the cost of any upholstery cover or other material that it determines to be unsuitable for the product or our process.

When the COM/COL upholstery cover is received at Krug, it must be clearly identified with the upholstery cover name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM/COL upholstery covers when received to determine if it will be suitable for upholstery. Where Krug feels that the upholstery cover or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM upholstery covers or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material.

Yardage specified in this price guide is approximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine upholstery cover required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. All COMs are cut "up the roll" unless otherwise stated by the customer. All striped upholstery covers will be applied vertically unless otherwise stated by the customer and after approval by Krug. Krug will not be responsible for directional or positional problems with its application of COM material, unless it has been provided with explicit instructions by the customer. Special instructions should be sent to Krug Customer Service, including a sample (or photocopy) of the upholstery cover. Krug is not responsible for instructions sent with the upholstery cover rolls, or for the method of upholstery if no instructions have been provided.

Price increases and freight charges to COM/COL acquired on the customer's behalf will be passed onto the customer.

Application of Directional Upholstery cover

Some COM upholstery covers will be considered directional by Krug even though they are not considered directional by the supplier. All COMs are automatically cut "up the roll" unless otherwise stated by the customer (please see below).

Standard-Cut
"up the roll"

Non-Standard-Cut
across the roll "railroad"

COM/COL Shipping Procedures

For seating COM/COL upholstery covers, please send upholstery covers to:

Krug Inc.
111 Ahrens Street
Kitchener, Ontario
Canada N2H 4C2

Attention: RECEIVER

COM/COL orders cannot be scheduled into production until the upholstery cover has arrived and inspection is complete.

All packages must be clearly marked

"For Customs Clearance by Willson International Custom Brokers".

According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico.

Canada Customs requires that a NAFTA Certificate of Origin and a Commercial Invoice be completed and sent with the upholstery cover shipment. The Commercial Invoice must clearly state the description of the upholstery cover, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than \$1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice. Krug is happy to answer any questions or concerns about COM/COL shipping procedures and the required documents.

CAL 133 & Moisture Barrier

California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.

The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of \$874 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

C.O.L. Yardage

To calculate C.O.L. yardage required, please use the following conversions based on COM yardage: Leather must be ordered in square footage.

- 17 square feet in a yard
- Approx. 3 yards in a hide
- Approx. 51 square feet in a hide
- Please use grade 3 pricing for COL

Upholstery Cover Yardage Calculation

To calculate yardage required for COM and other non-standard upholstery cover orders, please contact Krug Customer Service at 1.888.578.5784. Unless otherwise stated, upholstery cover rolls are assumed to be a minimum 54" wide. Please use the guide below to calculate the percentage of extra upholstery cover required to cover large repeats. The repeat is calculated by adding both the vertical and horizontal measurements together and then referring to the chart below for extra yardage required.

		2"-14"	15"-19"	20"-27"	28"-36"
FABRIC	Plain	Repeat	Repeat	Repeat	Repeat
54	0%	10%	15%	20%	25%
53-50	16%	20%	25%	30%	35%
48	16%	25%	30%	35%	40%
45	40%	50%	55%	60%	65%
36	50%	60%	65%	70%	75%

GRADED-IN UPHOLSTERY PROGRAMS

Krug has partnered with several textile brands to grade in their offerings, designed to provide a wide range of upholstery selections for our seating products.

Upholstery pricing and availability is subject to change without notice. We grade this upholstery according to the pricing of the fabric suppliers - when their pricing changes, the Krug grade may change.

When placing an order, a Krug customer must specify the complete upholstery number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying graded-in upholstery cannot be cancelled once the upholstery has been ordered.

Upholstery Grades

To determine the price of a product for graded-in upholstery, use the reference lists located on Krug's website under - Products - Textiles, to view the upholstery grade (1-9). Krug is not responsible for the discontinuation of this upholstery. Please contact Customer Service for information on upholstery not listed.

When two upholstery selections are specified for use on seating, the higher grade upholstery price will apply to the order.

High Performance upholstery; Polyurethane, Vinyl or Crypton, is particularly suitable for healthcare and other intensive-use environments.

Upholstery Samples

If you require additional samples or memos for presentation, please contact fabric supplier directly.

Flammability Standards

- Tunnel Test Surface Ratings Class A rating
- Class 1 UFAC
- Passes State of California Technical Bulletin 117-Section E

Please contact fabric supplier directly for further flammability information pertaining to specific upholstery.

Special Conditions

Acknowledgments will give the estimated delivery date of the finished product. Some upholstery is imported, and availability may affect estimated delivery time. For large projects, please contact fabric supplier directly for availability of yardage.

KRUGEXPRESS PROGRAM

PROGRAM DETAILS

KrugExpress orders are ready to ship by the date acknowledged. Delivery and shipping schedules may result in actual shipping of orders at a later date. Statutory holidays and scheduled factory vacations may add to acknowledged lead times of *KrugExpress* orders. Unless otherwise specified on the order, the customer's standard method of shipping Krug products will be utilized.

Available factory capacity for *KrugExpress* is filled by orders received on a "first come, first serve" basis. If the normal *KrugExpress* lead time is not available for your order because available capacity has been filled, you will be immediately advised of the earliest available ready-to-ship date. Please consult your Customer Service representative in advance if you wish to confirm the specific lead time availability for a *KrugExpress* order.

Orders must be received by midnight of a given day for that day to be considered the official day the order is received. Order lead times are acknowledged from the date the order is received, but not including the date the order is received.

KrugExpress orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean". Changes to *KrugExpress* orders are not allowed under any circumstances.

Orders for product on *KrugExpress* must clearly state: "*KrugExpress*".

COM and graded-in upholstery is available on Krug Express. Orders are scheduled on Krug Express, and given the best available date, when the upholstery is received at Krug. Some conditions apply.

SEATING PROGRAM

Orders for seating products on the *KrugExpress* program may be subject to quantity maximums. Please contact Krug Customer Service for more information.

Quantity maximums are dependent upon available capacity, in order to insure that we ship all orders on time.

Please note that the CAL 133 option is not available on *KrugExpress*.

WOOD FINISHES

Standard wood finishes are:

SPECIES	FINISH
BEECH	Appalachian Cherry
	American Cherry
	Imperial Cherry
	Light Cherry
	Medium Cherry
	Natural Cherry
	Sable Cherry
	Standard Cherry
	Light Oak
	Harvest Oak
	Mahogany
	Mellow Oak
	Espresso
	Cordovan Walnut
	Natural Walnut
	Regular Walnut
Dark Walnut	
Clear Beech	
Medium Anigre	
MAPLE	Clear Maple
	Honey Maple
	Wheat Maple

NATURAL CHARACTERISTICS OF WOOD

Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

Custom Wood Finishes

Add 10% list to your order for special finishes, minimum upcharge is \$525 list per finish per order. (For example, on all orders up to \$5250 list, an upcharge of \$525 will apply, on orders \$5000 and up add 10% list to your order.)

Special finish upcharges on seating products are calculated on a grade 1 value. For orders with special finishes, a sample that is a minimum 3” by 3” must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

Dual Finishes

Add 10% list per item if specifying dual finish.

Standard Wood Finishes

No upcharge will be applied when specifying a finish available as standard on one species onto maple seating and occasional tables. Clear finishes are not available on other species since they are a clear finish on top of the natural veneer color.

WOOD FINISHES TO MATCH STANDARD LAMINATES

- Willow on Beech
- Copper on Beech
- Shiraz Cherry on Beech
- Park Avenue Walnut on Beech
- Chocolate on Beech
- Nutmeg on Beech
- Portobello on Beech
- Ash on Beech
- Dune on Maple

LAMINATES

Krug’s in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug’s previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.
