# **JUNO** HEADWALLS AND FOOTWALLS

The Juno lines include a custom offering of modular headwalls and footwalls. The offering has been designed around 24”, 30” and 36” wide modules that include a back panel, canopy (1 ½” thick) and cabinets. The overall height is 82”. Cabinet height can be 20” (e.g. benches), 30” (e.g. bedsides, dressers and desks) or 36” (e.g. work counters, possibly including a sinks). The cabinets can be taken with slight modification from the Juno offering of bedside tables, benches, dressers, desks, wardrobes and storage units. As well, other items such as floating shelves can be incorporated. In each case, the cabinet sits on a substantial 4” inset base. Bases are typically in grey laminate. Some combinations of the modules can be freestanding while others need to be fastened to the wall.

Fronts, top profiles and pulls from the Juno line can be incorporated into the headwall or footwall. The tops are only profiled on the front and there is no overhang at the sides. Tops can be laminate, high-pressure laminate, thermoformed vinyl or solid surface.

The modules are designed to accommodate wiring for lighting, TVs and to support other electrical devices such as computers. Similarly, there is space for plumbing.

Advantages of modular footwalls and headwalls may include improved depreciation for tax purposes, the ability to reconfigure at some future point, replaceability of individual components and even individual panels, consistency of design, colors and pulls with freestanding cabinets in the room, and the fact that design and construction meets the same healthcare standards reflected in the balance of the Juno line. A limited lifetime warranty applies.

Please contact your Krug representative or customer service for a quotation on your specific project. The following are sample project configurations and associated list prices.

# **JUNO** FEATURES & OPTIONS

**BREADTH OF LINE:**
The healthcare casegoods lines offer solutions from contemporary to transitional to traditional styling. Juno is the contemporary version. The lines are extremely wide including 5 bedside table configurations, 3 dressers, 2 benches, 2 combination bench/wardrobes, 8 wardrobe/storage units, 4 TV units, 3 bookcases, 2 desks, a headboard and footboard, a marker board, mirror and corkboard, and 4 overbed tables. In addition custom modular headwalls and footwalls are offered.

**CUSTOM CAPABILITY:**
Krug can offer both custom sizes of standard product and completely custom units, including modular headwalls and footwalls.
For more information, please contact Customer Service.

**DURABILITY:**
Cabinets are constructed of ¾" thick panels including backs. In contrast to cabinets constructed with 1/8" back panels, the Juno units are more robust and less susceptible to damage. All exposed laminate edges are covered with 2.5 mm polymer edge banding in colors matching the laminates. This thicker edge banding provides an increased level of durability on all edges as well as a 2.5 mm radius on the edge. The softer radius is less likely to bruise or cut the skin of a patient or caregiver. Bottom panels extend under the side and back panels of cabinets with legs and on any units with 4 casters in order to maximize the ability of the cabinet to withstand heavy handling.

**DRY FIT CONSTRUCTION:**
Cabinets are assembled with mechanical cams. This is known as dry fit construction. The result is that any panel can be replaced if damaged, unlike in the case of cabinets that are glued together where damage to any surface leads to replacement of the entire unit.

**VENTS:**
There is one 1" diameter vent for each drawer and each door set for air circulation. All vent holes are covered with plastic vents both inside and outside to eliminate exposed particle board, thus preventing moisture and bacteria from entering the core.

**SEALED CORE**
All unseen particle board edges that are not covered by an adjoining panel are edge banded (i.e. no exposed particle board). As with the vent covers noted above, this prevents moisture and bacteria from seeping into the core.

**DRAWERS:**
Drawers have white metal sides with white laminate bottoms and backs, and all exposed particle board edges are edge banded.
The unobstructed metal sides facilitate cleaning. Bumpers are installed on all drawers and doors to soften the sound of closing.

**ENVIRONMENTAL**
Juno cabinets have a very high recycled content and contribute to both LEED credits 4.1 and 4.2. The packaging is recyclable. Non-urea-added core is available as an option and Air Emissions certified product is also optionally available. FSC-certified wood may be possible on larger projects

**TOPS:**
Tops are ¾" thick and can be laminate with polymer edge banding, high-pressure laminate with polymer edge banding, or seamless thermoformed vinyl.
- Edge A - Laminate with Polymer Edge, or High-Pressure Laminate with Polymer Edge
- Edge B - Thermoformed Vinyl or High-Pressure Laminate with Wood Edge
- Edge C - Thermoformed Vinyl or High-Pressure Laminate with Wood Edge
- Edge S - Laminate with T-Mold bumper or High-Pressure Laminate with T-Mold bumper

With Edge S the Overhang is 1/2" on all sides
Standard Top Overhang is 1/4" on 4 sides
Optional Top Overhang is 1/2" on 4 sides (to assist with movement of the cabinet) on other edges.
Tops on units over 40" high are laminate only

**DOOR / DRAWER FRONTS:**
Door / drawer fronts are 3/4" thick and 2 styles are available.
- Delphine - Laminate with Polymer Edge
- Lia - Thermoformed Vinyl

Headboards and footboards are high-pressure laminate on ¾" plywood with polymer edge banding. HPL and plywood are used in this application for added strength.

**LEGS & BASE RAIL:**
Cabinets are available with 4 ¼" legs (for ease of cleaning), or sides to the floor with a base-plate Style 1 that is either Laminate with Polymer Edge, or Seamless Thermoformed Vinyl, (based on the Door/Drawer front material selected).

**DOOR AND DRAWER PULL STYLES:**
Flex is an injection-molded plastic pull designed to offer some "give" or flexibility when inadvertently hit by a patient or caregiver. The color is similar to Silver Metallic.
The Circa offers a very large grip. The pull could be accessed with a closed knuckle. It has a Silver Metallic finish.
The Indus pull eliminates a protrusion that could bruise a patient or caregiver. The finish is Silver Metallic.

**BENCH**
The cushion for the bench is 3" thick.
Juno benches have a load weight rating of 200 lbs.

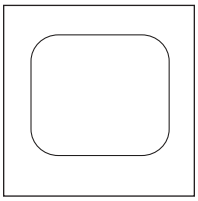
**OVERBED TABLES:**
There are 4 overbed table top shapes in either high-pressure laminate or seamless thermoformed vinyl, with 3 edge profiles (2 are spill-guard edges). There is also a version with a second drop-down surface. The overbed table offering includes 2 alternative steel base styles, each available in 5 standard powdercoat finishes. The overall height of the U-base including casters is less than 2" and the H-base is 3.25".
Baskets are a frequently ordered option. They are commonly used to hold urinals to keep them off table surfaces.

**LAMINATES:**
"Laminate" is variously known in the marketplace as Thermofused Melamine, Low-Pressure Laminate or LPL.
There are 1 solid color options and 5 wood-grain colors. All colors are available in laminate, high-pressure laminate or thermoformed vinyl. Polymer Edge banding matches the laminate selection. Wood finishes to match the wood-grain laminates are available for Krug Healthcare Seating.

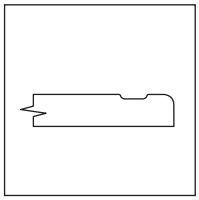
**VENEER**
Many items in the Juno product line are also available in maple veneer and in a combination of veneer exterior surfaces and laminate interior faces. The veneered version is available with the Delphine front and "A" top edge profile. Both high-pressure laminate and thermoformed vinyl tops can be supplied as options with the veneered cabinets. Please contact your Krug representative or customer service for a quotation on veneered product.

**WARRANTY**
All cabinets carry a limited lifetime warranty. Overbed tables have a 10-year warranty.

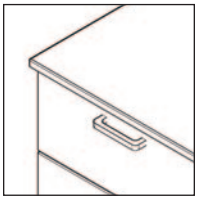
# **JUNO** OPTIONS



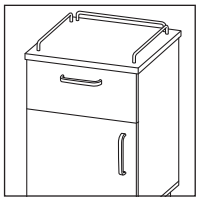
**ROUNDED TOPS**
A top with rounded corners is available as an option on bedside tables. There is a choice of laminate or high pressure laminate. The edge is polymer to match the laminate color. The overhang is 3/4" on all 4 sides of the top. (Tops specified with T-mold bumper are also rounded at corners. In these cases the overhang is 1/2" on all sides).



**SPILL-GUARD EDGE**
Juno bedside tables are available with the spill-guard edge surface on the thermoformed vinyl tops to collect liquids when spills occur.

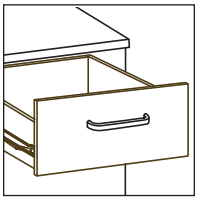


**EXTENDED LAMINATE TOP OVERHANG**
Rather than the standard 1/4" top overhang on all sides, this can be at 1/2" to facilitate moving of the cabinet for cleaning.

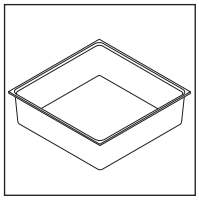


**GALLERY RAILS**
Optional gallery rails are in satin nickel finish. There is a rail on each side and another across the back.

**LOCKING TOP DRAWER OR DOOR**
Juno cabinets have the option to lock. They can be randomly keyed for security. The lock option is factory installed and must be specified on the order.

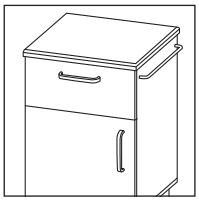


**LAMINATE DRAWER**
An optional white laminate drawer with a single-action 3/4-extension slide is available at no upcharge. All edges are banded.

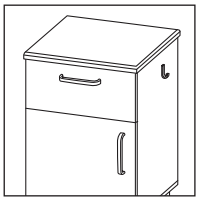


**SEAMLESS DRAWER LINER**
Juno bedside tables are available with the option of a plastic drawer liner. Ideal for infection control purposes, it can be removed, sterilized or replaced when damaged or degraded.

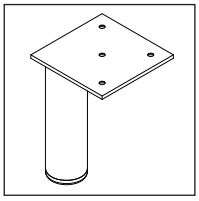
**MASTER KEY**
Juno bedside tables have the option to lock with a master key. This must be specified on the order.



**TOWEL BAR**
The Towel Bar option fastens to the sides of the bedside tables. It is available in a satin nickel finish. The standard placement is the side opposite the hinge.

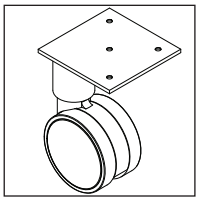


**LITTER BAG HOLDER**
The Litter Bag Holder option fastens to the sides of the bedside tables. It is available in a satin nickel finish. It holds small paper bags and can be field-installed. The standard placement is the side opposite the hinge.
shelf and coat rod for ADA compliance (shelf is 48" above the floor).

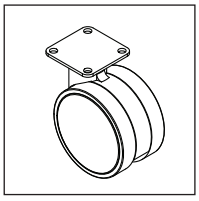


**LEG / CASTERS:**
Juno Bedside Tables have 5 base options -

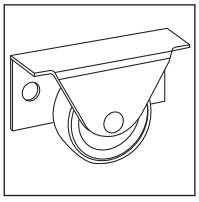
4 legs with glides



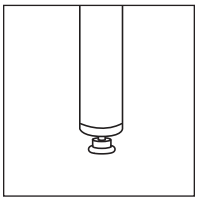
2 front legs with glides and 2 back casters



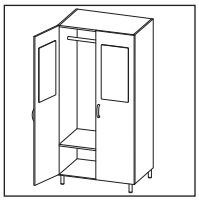
4 swivel casters (2 locking)



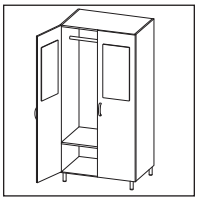
no legs and 2 hidden non-swivel casters at the rear of the cabinet



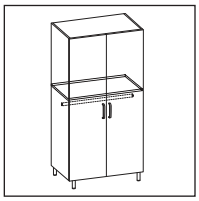
**LEG LEVELER**
An adjustable glide option is available for legs when there are 4 legs on a cabinet. This is standard on units without legs. This helps ensure the furniture is steady and level on uneven floors.



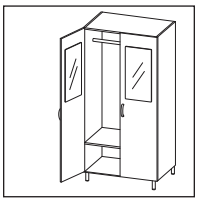
**CABINET MOUNT CORKBOARD OPTION**
The Corkboards are 24” high by 12” wide. They can be mounted to the inside or outside of the cabinet door (inside is standard).



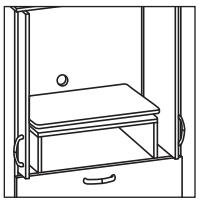
**CABINET MOUNT MARKERBOARD**
The Markerboards are 24” high by 12” wide. They can be mounted to the inside or outside of the cabinet door (inside is standard).



**LOWER MOUNTING COAT ROD AND SHELF (ADA)**
Juno Wardrobes are available with the lower shelf and coat rod for ADA compliance (shelf is 48” above the floor).



**CABINET MOUNT MIRROR OPTION**
The Mirrors are 24” high by 12” wide and acrylic. They can be mounted to the inside or outside of the cabinet door (inside is standard).



**PULL-OUT SWIVEL TV TRAY**
Juno TV Units come with the option of a pull-out swivel TV Tray. The swivel tray is factory installed and must be specified at the time of order.

# **JUNO** SOLID SURFACE TOPS

Juno Bedsides tables, Dressers, Desks and Overbed tables are available with solid surface top in either 1/2” or 1” thickness. Please below below for color selections and pricing pages for list price and upcharges.

# **JUNO** SPECIFYING

**REQUIRED TO SPECIFY**
After each product grouping in the following pages, there is a summary under the title “Required to Specify”. The summary lists the elements that need to be specified including Model Number, Top & Edge Profile, Pull Style and Color, Body Style and Color,

---

**TOP EDGE PROFILES:**

Select one:

Edge Profile A

Edge Profile B

Edge Profile C

Edge Profile S
(only offered on bedside tables)

**ORDERING NOTES:**
Edge Profile A is available in Laminate with Polymer Edge, or High-Pressure Laminate with Polymer Edge.
Edge Profiles B & C are available with the Seamless Thermoformed Vinyl.
Spill-Guard Edge can be ordered on Edge Profiles B & C in Seamless Thermoformed Vinyl.
Edge Profile S is available in Laminate with T-Mold bumper or High-Pressure Laminate with T-Mold bumper.

---

**DOOR AND DRAWER PULL STYLES:**

| | Flex - F | Circa - C | Indus - I |
|---|---|---|---|
| Select one: | No upcharge<br>Color is similar to<br>Silver Metallic | $6 each<br>Silver Metallic | $11 each<br>Silver Metallic |

**ORDERING NOTES:** Silver Metallic Finish matches Juno legs and stanchions.

---

**BASE RAIL:**

Select one:

Style 1

**ORDERING NOTES:** Style 1 is the Juno standard in cases where leg option is not chosen, but it must still be selected to ensure clarity.

---

**LAMINATE:**

**Terms and Conditions**
Net 30 days on approved credit. A late payment charge of 1% per month will be applied on overdue invoices. This charge will be pro-rated to the number of days past 30 days that the invoice is overdue. All applicable sales taxes are extra. Distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Krug dealers. Acceptance of any order and terms of sale may be established at the discretion of Krug. Deposits are required on orders received from new accounts as well as on large or special orders. Krug reserves the right to discontinue designs, or to change designs, construction, prices, or materials without notice.

**Contact Information**

Web: www.krug.ca E-mail: solutions@krug.ca
**Customer Service Hours**
Please note customer service hours are:
8:30 am to 5:00 pm est

**Customer Satisfaction**
It is the primary goal of Krug and our staff to ensure the complete satisfaction of our customers with our products and performance. If a problem arises with a Krug product after the expiration of the limited warranty period, Krug will exercise its best efforts to achieve the satisfaction of the customer in a manner that is fair to all concerned.

**Order Acknowledgments**
Each order will be acknowledged via e-mail or fax. This acknowledgments is the final agreement between Krug and the customer, superseding all previous communications regarding the purchase order. Where there is a discrepancy on a purchase order between a product code and a description, Krug will make every effort to resolve the discrepancy, but will be ruled by the product code ordered. Please check all acknowledgments for accuracy, and advise Krug of any discrepancies with a purchase order.

**Order Cancellation**
Krug reserves the right to not accept or allow cancellation of orders. All products are manufactured on a custom-made, make-to-order basis, and the purchasing, engineering and production of orders begins shortly after order placement - and the customer purchase order is a contract that authorizes Krug to manufacture the products. Acceptance of order cancellation (or partial cancellation) is solely at the discretion of Krug, and is dependent on the extent to which engineering, purchasing and manufacturing has been initiated by the time cancellation is requested. No order cancellations (partial or otherwise) are allowable more than 4 weeks from date of order placement (as order production is unable to be terminated by that point), and full payment of the acknowledged order value is required for any orders cancelled after 4 weeks. Cancellations may be allowable in less than 4 weeks after order placement, depending on the extent to which manufacturing has been initiated. An acceptance of order cancellation requires that the purchaser agrees to make payment for all costs incurred to the point of acceptance of cancellation. Cancellation charges include all costs for purchase of dedicated material and components, engineering costs for non-standard products, and all costs for manufacturing completed to that point, as well as a $367 net charge for processing of the original order and for processing of cancellation invoicing.

**Pricing**
Krug endeavors to ensure that all prices in this price list reflect accurately our current prices. However, errors do occur and will be rectified through notices to the field. Krug reserves the right to acknowledge pricing that may be different from the price list.

**Storage Charges**
Krug reserves the right to assess a nominal storage charge if a customer does not accept shipment of an order within a week of the ship date.

**Warranty**
Krug warrants the construction and the finish of all our products to be free from defects in materials and workmanship for the lifetime of their use. This warranty is applicable to products in use by their original purchaser. This warranty does not apply to components not manufactured by Krug including textiles, which are subject to the specific warranties of those manufacturers, if any. Textiles (fabric, leather, vinyl, or any other covering material) suppliers do not guarantee their products for durability and color fastness, and nor does Krug. Casters, mechanical and electrical components have a warranty of five years from the date of purchase. The Krug warranty does not apply to COM-specified materials, damage caused by a carrier other than Krug, or variation in wood finishes due to natural wood color variation. Krug cannot be held responsible for variations in fabric dye lots from order to order. All fabric is carefully inspected when it is received, but a degree of variation in color should be expected. Repairs or replacement of any defect covered under this warranty by Krug will be made, at our option and method, at no charge to the original purchaser during the warranty period. Krug's judgement is final and binding with respect to the nature or cause of defects or damage, and the necessity or manner of repair or replacement.

This warranty does not apply to defects or damage resulting from:
• normal wear and tear occurring with the use of the product
• negligence, misuse, excessive use, alteration, improper cleaning or repair
• substitution or use of incorrect or unauthorized components or material
• handling or installation that is incorrect, or that causes damage or defect
• damage incurred by a freight carrier other than Krug
• wearing of finishes and fabrics, and normal variations in materials (including dye lot variations)
• properties of natural materials, including wood and leather
• exposure to environments with uncontrolled temperature and humidity (products must be transported, stored and used in climate-controlled conditions)
Note, specific warranties for components and materials not manufactured by Krug:

**Jordan Sleepers Heavy-Duty Mechanism**, made with heavy gauge steel and minimal moving parts - is backed by a 5-year warranty on the mechanism itself, in addition to the lifetime warranty on the rest of the product. If it does become damaged or degraded, the mechanism can be field-replaced.
**Juno Overbed Tables** have a 10-year warranty.

**Blanket Wrapping**
Krug will blanket wrap larger seating orders at customer's request. Please indicate on your purchase order and contact Customer Service.

**Export Packaging**
Krug is pleased to provide the option for export packaging on all our products, to provide additional protection from damage. For shipments overseas, a quote for export packaging can be provided, based on the products to be ordered and the delivery destination - please contact Customer Service or Bids & Specification Support for more information and a quotation. KRUG is not responsible for shipment damage occurring on overseas shipments

Export Packaging is STRONGLY RECOMMENDED for:
(A) all shipments outside of the lower 48 states and Canada.
(B) all shipments that will be held in storage for an extended period prior to installation.

**Important:** Please note that Krug will not be responsible for damage claims on product shipped or stored in the above conditions but where export packaging has not been utilized.

**Dimensions**
Dimensions are in inches and approximate, and subject to change without notice. Contact Customer Service if dimensions are critical.

# GENERAL INFORMATION

**Freight Terms and Conditions**
1. All product is shipped FOB the Krug factory. Freight is either pre-paid to the destination or not pre-paid, depending on established customer specific freight terms.

2. Docks at the selected delivery location must be equipped to handle a 53' trailer. If a dock is inadequate for delivery by Krug, Krug will re-deliver to another local location and any additional costs will be charged to the customer.

3. For all deliveries, it is understood that Krug or its agent is making a dock delivery only (equipped to handle a 53' trailer), and any further work of truck unloading, delivery beyond the dock, installation, and removal of packaging is not authorized or paid for by Krug.

4. Drop shipments to the installation site, and timed deliveries, are available on larger shipments (full truckloads or slightly less) at no additional charge. Drop shipments or timed deliveries for smaller shipments may not be available, or if available will require a surcharge. Deliveries on an after hours basis, or on weekends, or any other special requirements, may be subject to a surcharge. Location and contact information, and the requested time of delivery, is required at least one week prior to the acknowledged shipment date. If this information is not provided one week in advance, or if the location or time of the drop shipment is changed less than one week in advance, a surcharge may be applied, and/or the drop shipment may not be scheduled. For deliveries requested Monday to Thursday after 5:00 pm, please apply a surcharge of $275/shipment. For deliveries requested Monday to Friday before 7:00 am, please apply a surcharge of $275/shipment. For deliveries requested Friday (after 3:00 pm) or weekends, please apply a surcharge of $551/shipment. (local times).

5. For all deliveries - whether to the Customer location or drop shipment - any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), service charges will be applied at the rate of $131/hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged. If Less Than Truck Load is delivering, one hour is allocated to unload. Any additional time required to unload after the first hour is $131/hour. If a Truck Load is delivering the order, three hours is allocated to unload. Any additional time required to unload is $131/hour. Direct deliveries to site for large orders are possible, (must exceed $60,000 net), and accommodate 48 - 53' trailers. Krug is responsible for delivery to the approved delivery address. If an address change is required, this must be authorized by Krug 5 business days prior to ship date. Any additional delivery costs incurred after this time will be charged to the customer.

**Product Strength and Durability Testing**
All Krug products have been thoroughly tested, and exceed the testing requirements of ANSI/BIFMA seating standard.
Specific test results and documentation are available on request.

BIFMA INTERNATIONAL

**Installation Support**
For assistance please contact Technical Support at 1-888-578-5784 x216 or e-mail installationhelp@krug.ca and you will be directed to the appropriate installation support person.

**Damaged Shipments**
All Krug product is well engineered, carefully inspected, and expertly loaded onto our trucks at our Distribution Center. If you receive any damaged freight, we ask that you do not refuse the shipment. Krug is not responsible for damage to goods that occurs in transit or storage. It is the purchaser and/or receiver's responsibility to examine the goods upon receipt and to notify Krug of any damages, overages or shortages. Any discrepancies should be noted on the Bill of Lading. The delivering carrier will not accept responsibility for shortages or damages if signed "clear". Notification of concealed damage claims must be made to Krug Distribution within 5 days of delivery, along with digital pictures if available. All product and packaging must be available for inspection. Krug liability ceases after 5 business days and Krug will not be responsible for concealed damages if shipments are left unopened. Krug is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

**Field Product Report Authorization**
Krug's written authorization, in the form of an FPR number, must be obtained prior to incurring charges of any kind if Krug is expected to pay these charges. This includes authorization for returns, field repairs and replacements, post field repairs, installation and delivery charges. Krug reserves the right to have its representative inspect product related to any request for such authorizations, prior to that authorization being provided. Deductions from invoices paid for any charges to Krug, without prior written authorization in the form of an FPR, will not be accepted. Digital photographs may be required to complete the FPR process.

**Returns**
No merchandise may be returned without Krug's prior written consent. In the event of an authorized return, a Field Product Report (FPR) number will be issued, and a restocking charge will apply. Return transportation charges must be prepaid. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packaged in its original or comparable replacement packaging to ensure protection of the product during handling and transportation. Returns on orders duplicated by the customer must be received in their original packaging to be accepted. Product being returned where Krug has authorized its liability for replacement or repair will be thoroughly inspected on its return, and the results compared to the reason for the return stated on the FPR. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

**Custom Capabilities**
Over 15% of our orders involve some type of custom work, and we invite our customers to make use of our extensive capabilities.

These include:
1) Dimensional customization of standard size products
2) Custom finishes
3) For larger orders, completely custom-designed products, as well as non-standard wood species can be specified.

Custom orders may require additional production lead times. Contact Engineering at the e-mail address engquotes@krug.ca.

**Care and Maintenance Leather**
Leather is a natural product and requires very little care during use. Most stains can be removed with a clean dry cloth. For stubborn spots and stains, use a mild non-detergent cleaner, rinse well and let air dry naturally. Do not use saddle soap, cleaning solvents, furniture polish, oils, varnish, abrasive cleaners, soaps or ammonia waters.

**Fabric Upholstery**
Professional upholstery cleaning is recommended.

**LATEX FREE**
Krug products are made with latex-free materials to prevent the allergic reaction that latex causes in some people.

**Customer's Own Material (COM/COL)**
COM/COL must be received three weeks prior to the acknowledged ship date. Orders with COM/COL not received by the required deadline will be delayed. A description of the upholstery cover, including supplier name, pattern name, upholstery cover name and color number must be included with the purchase order.
COM/COL testing requires 3 business days and samples are to be directed to Customer Service. The customer has the option of providing the sample COM/COL before, at time of order, or once the sample COM/COL is received. If the customer does not send a sample for approval in advance of sending actual material, Krug will not be responsible for the cost of any upholstery cover or other material that it determines to be unsuitable for the product or our process.
When the COM/COL upholstery cover is received at Krug, it must be clearly identified with the upholstery cover name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM/COL upholstery covers when received to determine if it will be suitable for upholstery. Where Krug feels that the upholstery cover or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM upholstery covers or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material.
Yardage specified in this price guide is approximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine upholstery cover required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. All COMs are cut "up the roll" unless otherwise stated by the customer. All striped upholstery covers will be applied vertically unless otherwise stated by the customer and after approval by Krug. Krug will not be responsible for directional or positional problems with its application of COM material, unless it has been provided with explicit instructions by the customer. Special instructions should be sent to Krug Customer Service, including a sample (or photocopy) of the upholstery cover. Krug is not responsible for instructions sent with the upholstery cover rolls, or for the method of upholstery if no instructions have been provided.
Price increases and freight charges to COM/COL acquired on the customer's behalf will be passed onto the customer.

**Application of Directional Upholstery cover**
Some COM upholstery covers will be considered directional by Krug even though they are not considered directional by the supplier. All COMs are automatically cut "up the roll" unless otherwise stated by the customer (please see below).

Standard-Cut
"up the roll"

Non-Standard-Cut
across the roll "railroad"

**COM/COL Shipping Procedures**
For seating COM/COL upholstery covers, please send upholstery covers to:
Krug Inc.
111 Ahrens Street
Kitchener, Ontario
Canada N2H 4C2
**Attention: RECEIVER**
COM/COL orders cannot be scheduled into production until the upholstery cover has arrived and inspection is complete.

All packages must be clearly marked
"**For Customs Clearance by Willson International Custom Brokers**".

According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico.
Canada Customs requires that a NAFTA Certificate of Origin and a Commercial Invoice be completed and sent with the upholstery cover shipment. The Commercial Invoice must clearly state the description of the upholstery cover, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than $1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice. Krug is happy to answer any questions or concerns about COM/COL shipping procedures and the required documents.

**CAL 133 & Moisture Barrier**
California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.
The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of $962 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

**C.O.L. Yardage**
To calculate C.O.L. yardage required, please use the following conversions based on COM yardage: Leather must be ordered in square footage.
- 17 square feet in a yard
- Approx. 3 yards in a hide
- Approx. 51 square feet in a hide
- Please use grade 3 pricing for COL

**Upholstery Cover Yardage Calculation**
To calculate yardage required for COM and other non-standard upholstery cover orders, please contact Krug Customer Service at 1.888.578.5784. Unless otherwise stated, upholstery cover rolls are assumed to be a minimum 54" wide. Please use the guide below to calculate the percentage of extra upholstery cover required to cover large repeats. The repeat is calculated by adding both the vertical and horizontal measurements together and then referring to the chart below for extra yardage required.

| FABRIC | Plain | 2"-14" Repeat | 15"-19" Repeat | 20"-27" Repeat | 28"-36" Repeat |
|---|---|---|---|---|---|
| 54 | 0% | 10% | 15% | 20% | 25% |
| 53-50 | 16% | 20% | 25% | 30% | 35% |
| 48 | 16% | 25% | 30% | 35% | 40% |
| 45 | 40% | 50% | 55% | 60% | 65% |
| 36 | 50% | 60% | 65% | 70% | 75% |

# GRADED-IN UPHOLSTERY PROGRAMS

Krug has partnered with several textile brands to grade in their offerings, designed to provide a wide range of upholstery selections for our seating products.

Upholstery pricing and availability is subject to change without notice. We grade this upholstery according to the pricing of the fabric suppliers - when their pricing changes, the Krug grade may change.

When placing an order, a Krug customer must specify the complete upholstery number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying graded-in upholstery cannot be cancelled once the upholstery has been ordered.

**Upholstery Grades**
To determine the price of a product for graded-in upholstery, use the reference lists located on Krug's website under - Products - Textiles, to view the upholstery grade (1-9). Krug is not responsible for the discontinuation of this upholstery. Please contact Customer Service for information on upholstery not listed.

When two upholstery selections are specified for use on seating, the higher grade upholstery price will apply to the order.

High Performance upholstery; Polyurethane, Vinyl or Crypton, is particularly suitable for healthcare and other intensive-use environments.

**Upholstery Samples**
If you require additional samples or memos for presentation, please contact fabric supplier directly.

**Flammability Standards**
- Tunnel Test Surface Ratings Class A rating
- Class 1 UFAC
- Passes State of California Technical Bulletin CAL 117-2013

Please contact fabric supplier directly for further flammability information pertaining to specific upholstery.

**Special Conditions**
Acknowledgments will give the estimated delivery date of the finished product. Some upholstery is imported, and availability may affect estimated delivery time. For large projects, please contact fabric supplier directly for availability of yardage.

# *KRUG EXPRESS* PROGRAM

**PROGRAM DETAILS**

*KrugExpress* orders are ready to ship by the date acknowledged. Delivery and shipping schedules may result in actual shipping of orders at a later date. Statutory holidays and scheduled factory vacations may add to acknowledged lead times of *KrugExpress* orders. Unless otherwise specified on the order, the customer's standard method of shipping Krug products will be utilized.

Available factory capacity for *KrugExpress* is filled by orders received on a "first come, first serve" basis. If the normal KrugExpress lead time is not available for your order because available capacity has been filled, you will be immediately advised of the earliest available ready-to-ship date. Please consult your Customer Service representative in advance if you wish to confirm the specific lead time availability for a *KrugExpress* order.

Orders must be received by midnight of a given day for that day to be considered the official day the order is received. Order lead times are acknowledged from the date the order is received, but not including the date the order is received.

*KrugExpress* orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean".

Changes to *KrugExpress* orders are not allowed under any circumstances.

Orders for product on *KrugExpress* must clearly state: "*KrugExpress*".

COM and graded-in upholstery is available on Krug Express. Orders are scheduled on Krug Express, and given the best available date, when the upholstery is received at Krug. Some conditions apply.

**SEATING & OCCASIONAL TABLES PROGRAM**

Orders for seating products on the *KrugExpress* program may be subject to quantity maximums. Please contact Krug Customer Service for more information.

Quantity maximums are dependent upon available capacity, in order to insure that we ship all orders on time.
Please note that the CAL 133 option is not available on *KrugExpress.*

Only standard wood finishes are available for *KrugExpress* orders. Laminates are not available on *KrugExpress.*

*Krug Express* includes all Krug seating and occasional tables as well as Krug conference and casegood products to complement this seating offering.

## LAMINATES

Krug's in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug's previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

**IN-STOCK LAMINATES**

| Wood Grain Laminates | High Pressure Laminate Supplier |
|---|---|
