Quinn Lounge Curve Seating & Table

Krug's Behavioral Health offering encompasses a comprehensive range of innovative, highly functional, well-built, safe, and attractive furniture solutions developed after years of research and collaboration with senior healthcare designers and clinicians. The breadth of line includes a multitude of guest, patient and lounge seating options, occasional tables, café tables as well as patient room casegoods designed to support heavy use in high intensity environments. We understand the importance of, and are committed to, "humanizing" product design to meet the needs of patients, families, and staff.

Krug's Behavioral Health offering is **Designed to Perform.**
